An agreement by and between the City of Delray Beach, a municipal corporation of the State of Florida, and _____.

Wherein it is mutually agreed, as follows:

That the Volunteer indicated above will receive no compensation from the City of any kind whatsoever for services rendered in accordance with his/her volunteer assignment. This does not include reimbursement for transportation expenses incurred in the course of carrying out any assignment which requires transportation.

In accepting a position as a volunteer worker for the City of Delray Beach, I agree to accept voluntary Workers' Compensation coverage as the sole remedy for any injuries I might sustain while in such volunteer service. Such voluntary Workers' Compensation coverage will be in effect to pay for medical attention for actual injuries sustained while on the job only subject to Statute Workers' Compensation regulations. Since volunteer service does not include wages, such compensation does not provide for same.

HOLD HARMLESS AGREEMENT:

I agree to hold the City harmless for any such injuries and agree not to pursue legal proceedings against the City for any reason associated with voluntary service except through the Workers' Compensation Act.
