PRIVATE SWIMMING POOLS SAFETY REQUIREMENTS AFFIDAVIT OF RESPONSIBILITY

Submit this form along with your application for a pool, spa, or hot tub.

Company Name: _____ License Number: _____
Date: _____ Permit Number: _____

Section R4101.17 of the 2007 Florida Residential Building Code and Chapter 515 of Florida Statutes requires the provision of specific pool barriers around the entire perimeter of the pool. In addition to this executed affidavit, all provisions for the required pool barrier shall be shown on the plans and the manufacturer's product compliance information must be supplied.

I (We) acknowledge that a new swimming pool, spa or hot tub will be constructed or installed at the above address and hereby affirm that one or more of the following methods will be used to meet the requirements of the Florida Building Code, R4101.17 Residential and Florida Statutes, Chapter 515.

Please initial all applicable methods proposed to create a 360° barrier around pool:

_____ The pool will be equipped with an approved safety pool cover that complies with ASTM F 1346-91, Standard Performance Specifications for Safety Covers for Swimming Pools, Spas, and Hot Tubs.

_____ A continuous barrier ("Kiddie/Child Fence") will be used to isolate the pool from the home. Plans submitted to show the location of the end which is not removable without the use of tools. Must comply with R4101.17.1.15 Florida Residential Building Code, which includes ASTM D 5034 and ASTM D 3787.

_____ A continuous barrier such as a dwelling wall, screen enclosure or fence that meet R4101.17 shall be used to prevent external access to the pool. Additionally, all doors and windows that meet R4101.17 that lead to the pool from the interior of the home shall have an exit alarm meeting the requirements of UL 2017.

_____ Other methods to be used. Please specify:

INSPECTION SEQUENCE FOR SWIMMING POOLS

1. Reinforcing steel, main drain, bonding
2. Perimeter Pipe
3. Deck Rough, Deck Steel, Jigs (ladders and handrails) Bonding
4. Electric Final – All equipment hard wired, ready for start up
