**PUBLIC NOTICE TO WATER SYSTEM CUSTOMERS
OF THE CITY OF DELRAY BEACH**

To ensure that the City's drinking water remains safe and compliant with all State and Federal water quality requirements, the City is required to implement preventive measures that are safe and approved by the Florida Department of Environmental Protection (FDEP). As a result, the City is preparing for its semi-annual water distribution line disinfection program which will begin on Monday, October 5, 2009 and continue to Monday, November 2, 2009.

The City's routine maintenance program will include a "system burn," which utilizes free chlorine as the primary disinfectant. During this preventive maintenance activity, water customers may notice an increased chlorine odor and taste in their tap water. **This is a normal occurrence and will cause no adverse health effects.**

During this time period, customers with special needs should be aware of potential problems with their equipment and systems (e.g., kidney dialysis machines). In addition, tropical fish aquariums and holding tanks for fish and shellfish (i.e., stores and restaurants) should be aware that this temporary change in our disinfection process may be toxic to aquatic life if not properly addressed. Any such side effects will diminish when the City reverts to the normal disinfection method on November 3, 2009. Users are encouraged to contact an appropriate professional for guidance on how to use their equipment during this period.

The City will also flush fire hydrants during this period as part of the enhanced disinfection procedure. Customers may notice flowing water in streets and swales, localized lower water pressures and a slight discoloration of their tap water. This is a safe and normal occurrence during this process and will cause no adverse health effects. ***If you notice flushing activities in your immediate area, please refrain from using laundry machines until activities have ceased.***

Please be assured that this is a routine preventive maintenance procedure. The City's public drinking water remains perfectly safe and compliant with all State and Federal requirements for primary water quality.

If you would like further information, please contact the Public Utilities Department at (561) 243-7312 between 7:00 am and 4:00 pm - Monday through Friday.

Chris Evert/Raymond James
PRO-CELEBRITY TENNIS CLASSIC

**CHRIS EVERT/RAYMOND JAMES PRO-CELEBRITY
TENNIS CLASSIC NOVEMBER 6 – 8, 2009**

The City of Delray Beach proudly hosts the Chris Evert/Raymond James Pro-Celebrity Tennis Classic from November 6 - 8, 2009. Held in association with the Broward Health Chris Evert Children's Hospital, legendary sports figure Chris Evert is joined by renowned athletes and entertaining celebrities to support programs that assist children and families in our home state who are at risk due to alcohol and drug addiction.

The highlight of the three (3) day event features pro-celebrity tennis from 11:00 am until 3:00 pm on Saturday, November 7th and Sunday, November 8th at the Delray Beach Stadium and Tennis Center, 201 West Atlantic Avenue. A special evening of dining and dancing is also planned for November 7th as Chris Evert hosts the Pro-Celebrity Gala at the Boca Raton Resort & Club.

Celebrating its 20th anniversary, Chris and friends continue to support programs that strive to help families in need. To date, the Chris Evert/Raymond James Pro-Celebrity Tennis Classic has donated more than \$17.7 million to charitable organizations.

To purchase tickets for the Gala and Tennis Classic, call (561) 394-2400. Additional information is also available at www.chrisevert.org.

NOTICE

The Delray Beach Fire-Rescue Open House Health & Wellness Event

at Station 3, 651 Linton Blvd, has been rescheduled to
Saturday, November 14, 2009, from 10:00 am until 1:00 pm.

For more information, please call (561) 243-7400.
